

ESSENTIA

SINCLAIRE

**essentia** to me is an exciting and eclectic mix of luxurious and opulent weaves which I designed very much to address the specific issues facing busy interior designers today - essentia is a showcase of beautiful fine taffetas, rich figured velvets and chenilles, simple elegant plains, quirky geometrics, voluptuous velvets, through to relaxed organic jacquard designs, all enhanced by lovely subtle colourings and shades – very easy to use, yet the results are striking and individual.
