with **sarasa**, I wanted to create a collection that was theatrical, glamorous and opulent - I achieved this through the extensive use of clear filament yarns, which have a prism-like effect, reflecting light in an unusual and interesting way - combined with contemporary and traditional colours, I therefore feel that sarasa represents a powerful antidote to the “beige and brown” era which has dominated the market for so long

anna o’doherty, design director

SINCLAIRE

sinclair is one of the worlds leading suppliers of fine furnishing fabrics to the international leisure and hospitality markets- our success is built upon one abiding principle – passion: passion for design, passion for quality, passion for performance, and above all, passion for service - our highly talented team are committed to bringing you, our customer; the very best in beautiful high performance furnishing fabrics, either from one of our extensive stock collections, or bespoke, tailored to your individual requirements. - at sinclair we don't cut corners, all our fabrics are rigorously tested to relevant international standards and fully certified by independent UKAS laboratories - we believe above all else, that when you specify sinclair, you specify with confidence....
